1. Read the fairy-tale Apple Blossoms and the Dandelion

It is the month of May, but the wind blows cool and it is still cold. The birds come back and cry, "Spring is here! Spring is here!" The apple tree is very beautiful with its blossoms. It is very proud. Suddenly the apple tree notices a little, plain flower.

"What is your name?" asks the apple tree.

"I am called the dandelion," replied the little flower.

"Poor little flower, you are so plain and you have such an ugly name." says the apple blossoms proudly. It thinks that beauty is the most valuable thing in the world.

But the sunbeam comes dancing and says: "I see no ugly flowers. They are all so beautiful."

And the sun kisses the apple blossoms, then comes down and kisses the little dandelion in the field. The apple tree blushed with shame.
